## WELCOME

**O** I'm Becca, owner of Becca Jean Photography! I live in Portland, Oregon with my super handy husband and our two teens. I grew up on a ranch in a small California town with my parents and 5 siblings. My love of photography started in high school when I would go with my sister to an abandoned house up the road and do fun photoshoots with our friends. I remember taking this one photo of them when they were all laughing at each other in a genuine moment, and I was so in love with it. I didn't realize then why I loved it so much. But looking back now, I know it's because of that connection, that real moment, which is what I'm trying to capture with every session that I do.

Claudia and I met on a playground when our kids were tiny, and bonded over our love of photography. Our craft grew together and we have a similar approach, which is why she is the perfect associate photographer! You can choose to work with me or with Claudia, but either way you'll be getting images full of fun, movement, and emotion.

## THE WAY WE DO THINGS

We're all about capturing the real you – not just arranging stiff poses against a scenic backdrop (although we do love a scenic backdrop). That's something anyone can do. Our approach involves capturing your real story by providing a space where you can truly be yourselves. Sure, the first 10 minutes might feel a bit awkward, but we promise, you'll soon find yourselves focusing on each other, laughing, and fully embracing the moment.

We will work together to bring your vision and love to life in the photos. The goal is capturing authentic moments not forced smiles, staged scenes, or cheesy poses.

We'll provide plenty of guidance to make

sure everything feels true to both of you. These photos are meant to reflect you as you are, as well as to create a fun memory in the process.

While any photographer can snap pictures of you, our mission transcends the ordinary. Our aim is to capture something deeper and more significant. We want every aspect of this experience to feel uniquely yours – your love, your story – it deserves to be beautifully and authentically documented.

I am so happy I chose **Becca** for my husband's and my photos. I had been wanting to do something special and get professional photos of us done for a while. As a photographer myself, I'm super picky about what I want. Becca's style is GORGEOUS and I was so excited when I found her. We travelled 9 hours to meet her and the experience was perfect! It was fun and she made it so easy. She talked us through everything and really made it such a great experience. She communicated through every step of the process, from booking to the final image delivery. The images we got were above and beyond what we expected. I am in love with them! Seriously, if you are looking for a photographer go with Becca! I promise you won't regret it. I can't wait to get my images hanging on my wall.

**Claudia**, you are really, really talented! Like I don't know how you can get such beautiful shots with like you can feel a relaxed and loving vibe just looking at them. It's so much more than just pictures and a photographer... I don't know how to explain it, but you are truly so talented and amazing! Thank you so much!

## FAQ

### **WHAT KIND OF EQUIPMENT DO YOU SHOOT WITH?**

Both Becca and Claudia shoot with 2 cameras, that way we have a backup if one of them were to stop working suddenly (especially important for an elopement!). We use Canon mirrorless cameras, have multiple lenses and choose which ones to bring based on the location.

### **DOES IT COST TO HAVE YOU TRAVEL?**

Some of our packages include travel up to a certain point, but if you'd like to go somewhere outside of those parameters, let us know and we'll send you a custom quote. Always happy to travel!

### **WHAT DO WE DO IF IT'S RAINING THE DAY OF OUR SESSION?**

We live in the PNW, there's lots of rain here! We always encourage going dancing in the rain and splashing in puddles, how much fun would that be?! That's a memory you will always remember.

But if we see that it's going to rain a lot and you'd like to avoid that, we can either start earlier, move inside, or choose a new date depending on the forecast.

### **WHAT IS YOUR RESCHEDULING/CANCELATION POLICY?**

Local & Coast sessions: All sessions require a 30% non-refundable retainer, which goes towards the total session cost. If cancelled, the retainer will be forfeited. If

you request to reschedule with at least 14 days notice, the retainer can be applied toward a future session within six months. Only one reschedule will be permitted. If the session is less than 14 days away, a new retainer will need to be made to secure a new date.

Travel sessions: Your 50% retainer is non-refundable and any changes to the date will result in a new retainer needing to be made to secure a new date.

**DO YOU OFFER DISCOUNTS OR MINI SESSIONS?**

No we do not. Prices are firm, and mini sessions are not our cup of tea. With a mini session, you have just enough time to stand there and smile, and that's just not what we do. We love taking our time with the people we photograph which is how we keep everyone feeling relaxed and comfortable. This is the secret to how we get the images that you see in our portfolios. By taking the time to slow down and have fun, your images will be so much more true to you and tell a story of how you lived and loved.

**DO YOU HELP US PLAN CLOTHING AND LOCATION?**

Absolutely!

We're here to help you find the best outfits. You'll have access to an online styling tool to help you find items online for purchase, or if you have a different style in mind, we can help with that, as well! We suggest not purchasing anything until after getting input so we can be sure the colors will work with the location/editing.

You'll also get a location guide where you can choose from a list of adventurous spots. They have all been carefully scouted and selected based on available light and interactive elements to give you room to explore and make it much more exciting than just the park down the street!

## NEXT STEPS

Ready to get your session scheduled? Email us at [hello@beccajeanphotography.com](mailto:hello@beccajeanphotography.com) or fill out the form on the website and let us know if you have a preference on who you'd like to work with, what type of session you've decided on and when you'd like to schedule it. We typically respond in 24 hours or less!

Once we get a date locked down, you'll receive a booking email that will include the quote, contract, and invoice so you can take care of all of that quickly and easily.

After that is when the planning starts, but don't worry, we are here to help you every step of the way. You'll get emails with lots of tips for

a smooth session, and info about clothing and location. You won't be left hanging!

We can't wait to help you plan your dream photo session or elopement!
